First-year students are eligible for spring on-campus interviews. Job notices are viewable by students after October 15 but they are encouraged to not apply until December 1. Our first-year students do not receive permanent grades in all of their classes until the completion of the first year. They do, however, get some mid-term grades and receive Quartile Rankings in all of their classes which indicate how they are performing compared to their classmates. They can provide their mid-term grades along with these Quartile rankings in unofficial transcript form after the beginning of the second semester.
